TOTAL QUALITY, MADE IN ITALY.

We provide a full turn-key service, able to satisfy Customers' needs. **Since 1952**, we have been recognized as a **leader for precise machining**. Merging latest production technologies with comprehensive know-how, we strive to let our Customers become the market leaders.

EXCLUSIVE SERVICE

- ▶ The only Company having more than **1000 tons of steel** available at any time, resulting in **fast supply chain**, quick delivery and **flexibility**.
- ▶ "First of its kind" **on site stock** for finished parts driving to optimized Customer **TCO**.
- ▶ 70+ years of worldwide **import/export experience**, with global Suppliers and Partners.

VERTICAL INTEGRATION

- ▶ Your only and direct partner able to provide a **turn-key solution**.
- ▶ In house capability and knowledge to develop and manage **complex projects**.
- ▶ From PPAP to SOP and Run @ Rate: we are always available to **support the daily challenges**.

TECHNICAL LEADERSHIP

- ▶ Your **Partner** for the execution, not just "a Supplier".
- ▶ **Tech savvy** in all machining and heat treatment processes, rather than new technologies.
- ▶ Cost reduction ideas partner for **cost-efficient high-performance products** thanks to 70+ years experience.

ETHIC APPROACH

- ▶ **Ethic business** approach.
- ▶ **Zero CO2** commitment starting 2024.
- ▶ **Inclusion, diversity and integrity** are well established in Company Culture and Top Management DNA.

MORE THAN 70 YEARS OF CONTINUOUS GROWTH.

As M4U, we strongly believe that a **solid and pragmatic approach** is the key for success. We are growing year over year thanks to **results and reliability**. Indeed, our **Customers** are acknowledging us **giving trust** in what we do.

OUTSTANDING COMMITMENT FOR PEOPLE AND ENVIRONMENT.

Our **quality system** complies to the latest regulation and customer specific requirements.

WE ARE CERTIFIED ISO 9001, IATF 16949 AND ISO 14001.

FROM COMPONENT TO ASSEMBLY.

Our **machines and tools** allow us to manage a wide list of **components and assemblies**.

We have a consistent network of **Partners and Suppliers**, strictly selected and integrated in our processes, in order to provide you a **turn-key solution**.
